Our Lovable Cats up for Adoption, more on the next page!

Ways to help the animals with no cost to you at all!

Escrips: Escrips donates a percentage of your purchases to us if you sign up your debit and/or credit cards. Totally safe, some of us have been doing it for years with no problems. The only business in our area that participates is Burger King but there is a whole lot of internet shopping sites that participate. Check it out at: www.escrips.com We have had quite a few contributions from this program so Thank you to all that are already doing it!

Credit Card: This company donates \$50 when you make your first purchase and a percentage of purchases from then on. You have several cards to select from (all pictures taken by our own Summer Hall and are or were cats that we've had for adoption!) <http://www.cardpartner.com/app/new-beginnings-sPCA> Again we do get contributions from this program so Thanks to all who have done it already and please consider getting one if you don't already.

Also don't forget to donate your refundable recyclable cans & bottles. We take them in and give the cast to the animals. You can also donate your used printer cartridges, we can get cash for them too!

Easy, cost free ways to help out our little group! And we appreciate every penny.

And since we're on the subject I'd like to take a moment to thank Neal Shnell for doing our recycling of cans and bottles! That is a huge, huge help!

Board meetings are held quarterly and are open to the public. For 2011 the dates are: Jan. 5th, April 6h, July 6th and Oct. 5th. Room 311 at the courthouse.

Please remember that both the thrift store and adoption room are closed major holidays.

For the month of October - get a gift with each adoption!

If you wish to give the gift of a furry family member to someone for the holidays we can issue you gift certificate! We do require that the person getting the cat/kitten come in and do the adoption for themselves. They need to bond with the animal themselves.

Please call the adoption room at 541-464-4313.

Calling All Crafters, Artists, Gardeners, Bakers, Etc ---

Well, summer is over and the beautiful fall weather and nourishing rain is back. So, as many of us switch to more indoor activities, including crafts and hobbies, please consider donating some handmade items to New Beginnings that we can sell at our booth, both at the Business Professional Women's Fair held the first weekend in November and the annual Douglas County Christmas Fair held the first weekend in December. This has always been a good fundraiser for us because of the variety of items donated. Items should be handmade and can include crochet, knit, sewing, woodwork, leather, artwork, plants, ceramics, jewelry, baked goods, etc. If donating baked goods, they must be labeled with all ingredients and must not need refrigeration. If you have any questions, please call the thrift store at 541-673-9769.

We would like to take a moment to introduce you to our "special needs" kitties. They are all wonderful cats with tons of puursonailty and really make great companions. Please read their descriptions and do some research on their specific problems then give us a call to adopt! 541-464-4313. Or just come in, we're located at 1212 SE Stephens in Roseburg and our hours are noon - 5 pm 7 days a week. We are closed major holid- days.

Tozz, Hemingway & Babems: All are FIV+. We need to stress: this is NOT a death sentence. FIV cats can live long happy lives with the proper care & nutrition. The must be indoor only cats to protect themselves from the diseases that lurk. A couple of great sites to check out: <http://www.bestfriends.org/theanimals/pdfs/cats/catfiv.pdf> or there is a yahoo group called FIV Science that has wonderful advice.

PS: Hemingway is a Scottish fold

Journey & Landon: Both have mega colon. Kind of strange that we have two cats with this as it's not that common. But here they are. Both are wonderful, friendly boys with lots of love to give. Right now their problem is controlled with meds and foods. Again there is a great yahoo group: megacoloncat that has wonderful information.

Missy: While Missy is a friendly girl she hates having her back touched due to arthritis in her spine. She is a lovely girl who just needs a place to hang out and have her ears scratched. No young children please.

Cordell: has Stomatitis. What is that? Well it boils down to major mouth problems. He has to have canned food and may need teeth pulled in the near future. This one is hard to predict what the future holds. One of the common treatments are monthly shots but there are new products on the market that can be tried. This is a rather tricky disease. Can you imagine going through life with your mouth hurting?

And last but not least is Queenie! Our lovely grand dam Siamese. What's wrong with Queenie? Well to be honest there really isn't anything wrong - she's just plain old. We don't know how old she is but our guess is around 15. She loves attention and purrs at the drop of a hat. She does fine here but would really prefer a home of her own with more attention. She walks like she probably has a touch of arthritis too but we've not had her x-rayed to confirm. She also has a hyper sensitivity to fleas so who ever adopts her must be on top of that.

Marion Johnson's going away party!

Our long time thrift store manager is leaving us to live life on the road with her trucker husband Dayna. We will miss her but she has promised to come and volunteer so it's not goodbye, just see you later. We'll have a going away party for her on October 24th. This will be a day long event with lots of food and good wishes. Store opens at 11 AM and closes at 5 PM. Come in anytime during the day to give her your best.

Please remember us in your will

A bequest to the New Beginnings SPCA will mean more unwanted animals can be rescued and placed in good homes, get better health care, more help with spay/neuter and emergencies. To provide for NBSPCA in your will, it's as simple as having your attorney put in a statement such as: I give and bequest to the New Beginnings SPCA: **a.** ____% of my estate, or **b.** the sum of \$____, or **c.** the following assets or personal property. Our Federal ID number is 93-1058945. Thanks for thinking of the animals!

Joke: A lady had a cat named "Figaro" and every night if the Figaro wasn't home by 11 PM, she would go out and call him. One day the lady's daughter was trying to tell her friend exactly where she lived and the friend asked "Is that any where near where the woman comes out late at night and sings opera?"
